

The Messenger Has Arrived, Part Two (A Highly Convincing, Densely Compiled Recap) old

This post is made up of 100s of IRREFUTABLE, EASY TO VERIFY **FACTS**. Please recall this reality when somethings seem hard to believe/accept because that is assuredly what's going to happen often!!! (*"when the truth is stranger than fiction"* . . .)

Fact #1; Most have no idea that **many, many thousands** of well-trained psychologists have been employed by evil and corrupt, jewish government leaders **like ours** over the course of the last century to do experiments and develop psychological programs designed to overcome the minds and wills of **We The People**. We have been methodically and sadistically subjected to massive amounts of brain washing to weaken our ability to see, expose or resist them and their plans for a communist new world order. To such end, they have deployed highly effective propaganda using advanced psychology and deceptions based upon the classic, satanic, fundamental rules of unfathomability and redundancy (**"big lies told often"**) as well as intentional mis-education programs from childhood forward. Add to that the many slow, often unperceivable attacks upon our minds with high frequency radio waves, electromagnetics, popularization of psychotropic drug use (*both prescribed and illegal*), selective breeding/eugenics and of course forced ingestion of metals and other toxins in our air, water, soils, foods, drugs and vaccines. These mental assaults result in lower IQs and lessor abilities to assemble and recall the many important dots that connect things, as well as lulling and desensitizing us into complacency. To top all of that off, We The People (*WTP*) have been victims of "ancient mind control programs" via misuse of the supernatural world churning around us, which many simply cannot believe exists, even though it most certainly and verifiably does! Ever "played" with Tarot Cards, a Magic 8Ball or Ouija board? (*Not advising it!*)

Fact #2; Due to what can only be called mental **retardation** from said assaults combined with the virtually all-encompassing and hard to fathom size of the conspiracy itself, it is now difficult for many otherwise, would be bright, caring and patriotic people to comprehend, believe or even recall many of the most basic facets of this evil, murderous, real life conspiracy. **This is true to the extent that many cannot even so much as name their enemies during conversations about corruption in politics, business and religion caused solely by them!** (*Try it now, say; "it's the **satanic jews** straight out of Revelation, no ifs, ands or buts, 100% PERIOD!!!"*) **Rev 3:9** "Behold, I will make them of the **Synagogue of Satan**, which say they are jews, and are not, but do lie; behold, I will make them come and worship before thy feet, and to know that I have loved thee." Anyone talking about any other "group" is mentally **retarded!** It is NOT democrats, republicans, Muslims etc. **IT IS THE JEWS.**

Fact #3; As you're about to see, YHWH, the "Good Triune God" of the bible told us via his son and messenger Yeshua, that he would send **another messenger** to remind us of his teachings and to repent (**stop putting up with all the corruption and evil in our lives**) during the end of this age (*Pisces*). We've been told this will all occur just prior to the day of final judgment after millennia of chances to perfect ourselves via reincarnations. (*FYI; Yeshua covers reincarnation well in the [Gospel of The Holy Twelve.pdf](#) which that link will take you to, it's a highly recommended read which is free and only 66 pages long!*) The point being is that most would be quick to agree this new messenger would have quite a task to complete given all the brainwashing, dumbing down and distrust instilled in WTP of

today. It's conceivable that such a task would be impossible without a little “**divine help**” to aid us all in accepting the existence and purpose of this messenger to guide folks in these perilous “end times” while transitioning into the Aquarius era.

If this religious stuff sounds silly, just wait till you're done here!

Such divine notice to us would likely start with telling us the messenger is coming; **John 14:29**; “And now I have told you before it come to pass, that, when it is come to pass, ye might believe”.

THIS ESSENTIAL MESSAGE FOR EVERYONE LIVING TODAY IS IN **ALL 3** OF EARTH'S MOST RENOWNED ANCIENT TEXTS! (*The Bible, The Gospel of The Holy Twelve, which much of the New Testament was derived from, and The Quran.*) **What follows are some divine “legal notices” we've been given regarding the next messenger from ALL THREE of those main historical texts;**

The Bible; [John 14:16-17](#) Yeshua says; “And I will pray the Father, and he shall give you another **Comforter** (“Comforter” Greek “parakletos” a helper, aid, assistant, intercessor, consoler, advocate.) that he (*the Father*) may abide with you forever; (*as*) the Spirit of truth; whom **the world** (*Thayers Greek Lexicon Definition #6 of “the world” is; “the ungodly multitude; the whole mass of men alienated from God, and therefore hostile to the cause of Christ”*) cannot receive, because it seeth him not, neither knoweth him: but ye know him; for he dwelleth with you, and shall be in you.” (*This says WTP will be able to receive the spirit of truth and know this man who dwells with/in us, as one of us. Also note, it is a man not a female.*)

[John 14:26](#) Yeshua says; “But the **Comforter**, (*of*) the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring to your remembrance, whatsoever I have said unto you.”

[John 15:26](#) Yeshua says; “But when the **Comforter** is come, whom I will send unto you from the Father, (*with*) the Spirit of truth, which proceedeth from the Father, he shall testify of me”. (***Our pleasure!***)

[John 16:7](#) Yeshua says; “Nevertheless I tell you the truth; It is expedient for you that I go away: for if I go not away, the **Comforter** will not come unto you; but if I depart, I will send him unto you”

The Gospel of The Holy Twelve; [Lection 89:9](#); Yeshua says; “And yet **Another** shall arise and he shall teach many things which I have taught you already, and he shall spread the Gospel among the Gentiles with great zeal” (***Does this qualify as “zealous”?***)

The Quran; [Surah 61:6](#); “Yeshua said: “O children of Israel, I am God's messenger to you, authenticating what is present with me of the Torah and bringing good news of a **Messenger to come** after me whose name is Ahmad.” (*Meaning a “legal counselor, advocate or consoler”*). **Does my [AAA Initiative #8](#) fit the bill for this?**)

We've been repeatedly told this man will be coming and **ABSOLUTELY EVERYONE** should be on the lookout with great anticipation since it signals the coming of Christ!

However, it would require some serious miracles and signs to convince such a deceived populous, most of whom are totally clueless about this, would it not?

YHWH The GOD of MIRACLES

Page 1

Well, for starters we were given an “**end times riddle**” to solve about **a beast** and **a man** whose numbers are **666**. From Rev 13:18 “Here is wisdom. Let him that hath understanding **count the number of the beast**: **for it is the number of a man**; and his number is six hundred threescore & six”. The papal title of “vicarius filii dei” (*as seen on the papal throne, in canonical books and elsewhere*) meaning “representative of God” was craftily encoded with **666** using characters from roman numerals MDCLXV & I. Here’s that;

V	I	C	A	R	I	U	S	F	I	L	I	D	E	I	=	666
5	1	100	0	0	1	5	0	0	1	50	1	1	500	0	1	

VICARIUS FILII DEI = 666

The U counts as a 5 because V’s doubled as U’s. Below is an example from a Roman artifact written in Latin which says “Augusto Sacer”

AVGVSTOSACR

FYI; **M**=1000, **D**=500, **C**=100, **L**=50, **X**=10, **V**=5, **I**=1 and in that order, **DCLXVI = 666!!!**

The vatican papacy is commonly known as the “whore of Babylon” so, there’s our “Revelation Beast”. All that was left was to find our **666** man. Again, here’s that from www.gematrix.org you can check yours there too;

David Allender Equals: **666** ($\frac{d \ a \ v \ i \ d \ _ \ a \ l \ l \ e \ n \ d \ e \ r}{24 \ 6 \ 132 \ 54 \ 24 \ 0 \ 6 \ 72 \ 72 \ 30 \ 84 \ 24 \ 30 \ 108}$)

David Allender Equals **666**

That was **English gematria**. Readers will recall the next mind-boggling bit about this little story which pertains to the wild and unfathomable odds surrounding my name in **jewish gematria**. **The thing is, it just so happens to match Peggy’s maiden name even though as you can see, they are obviously completely different;**

Peggy Dyk Equals: **893** ($\frac{p \ e \ g \ g \ y \ _ \ d \ y \ _ \ k}{60 \ 5 \ 7 \ 7 \ 400 \ 0 \ 4 \ 400 \ 10}$)

David Allender Equals: **893** ($\frac{d \ a \ v \ i \ d \ _ \ a \ l \ l \ e \ n \ d \ e \ r}{4 \ 1 \ 700 \ 9 \ 4 \ 0 \ 1 \ 20 \ 20 \ 5 \ 40 \ 4 \ 5 \ 80}$)

Peggy Dyk Equals: **893**

David Allender Equals: **893**

Now, on top of my 666 finding, what are the odds of 2 people with totally different names;

1. Having the same value of **893** in **jewish gematria**?
2. Being a faithful couple and business partners of 24 years?
3. Having ever discovered this extremely bizarre and titillating fact?
4. Fighting the same evil, corrupt, jewish leaders w/all their hearts & souls?
5. Overcoming a bogus \$1.1 million govt attempt to kill them?
6. Unveiling the divinity of **666** in **#116** before knowing about this?
7. Writing and self-publishing these most censored/banned truths?
8. Discovering that **893 is 8 x 9 x 3 = 216, WHICH IS 6 x 6 x 6!!!**

We’re already in the trillions to one odds! Note also that on top of “David Allender” now being tied to **666** in both English and jewish gematria (*the only ones pertinent here*) it is also **13** letters long and, when **666** is added like this; $6 + 6 + 6 = 18$. **Rev 13:18!!!** (*the famous prophetic verse surrounding 666!*) That’d be a fun pair of initial clues for “the one” would it not? But how could Peggy, I and **YOU** gain more certainty over the identity of the messenger and **666** man? After all, there are many “hard core truthers” out there and, there are many people living today who’s names equal **666**. Let us see if we can knock the vast majority of them out of the running right now by simply asking a few questions. How many truthers are out there who’ve become totally and unexplainably obsessed with hating and exposing evil to the point Peggy and I have? How far have we gone you ask? Well, we have been inexplicably driven to spend our entire life savings of \$500k along with \$250k in loans and another \$650k we generated from selling all our land just to free up time to do the whale of research required and to create everything thus far. Does any of this sound normal? We

don't think so and when you're done with the next two pages YOU won't either! This is all about us and YOU being given **absolute proof** that we're on "*the right track*"!

Imagine an everyday couple who weren't into politics or religion being **divinely compelled** to do all of this! Why else would anyone spend their entire life savings to write 2 FREE e-books and publish 13 highly controversial/banned newsletters to speak these truths? What forces could possibly motivate us to also build several world class, translatable websites designed to quickly and effectively inform others about all of this for **FREE**? Just ask yourself, can you think of anyone else with a story anything like this? And don't forget, just the two of us did it all while successfully fighting off dozens of bogus legal attacks from "demon possessed lowlives". **We were also successful in envisioning, engineering, financing and completing Unidigi, a highly unique, \$3 million network created specifically TO REPLACE**; The corrupt and evil Central Banking System (*for the U.S., the FED*); The dangerous and very oppressive RFID tracking systems **now being implemented** by the U.S. govt.; The plethora of govt sponsored anti-free speech sites such as Google, Facebook, Twitter, Wikipedia and Youtube; And most importantly, the corrupt, unfair, archaic and worthless **non-internet** voting systems being used in nearly every supposed democracy on earth! How could we or anyone else realistically even envision such massive things while also going through everything we have? C'mon, you've got to know there's only 1 answer; **GOD!** This is YHWH's handy work!

Just stop to think about it, who else has been **protected AND guided** to have done anything even remotely comparable to all this!? Then we have to account for all of the wild, unfathomable and incalculable numerical evidence **plus** everything else you're about to see! **We haven't heard of a single example that comes close OR FOUND ANYONE WHO'S DONE SO IN EARNEST. NOT ONE.** (*FYI; Every single so called "activist organization" we've found to date have turned out to be government sponsored "controlled opposition"*) **And in a world of 7 billion people, if no one else can find another 666 man with a story like this, that alone puts us at SEVEN BILLION TO ONE ODDS doesn't it? And how does one even begin calculating that 7 billion on top of the trillions to one odds we began with plus, as you're about to see, trillions upon trillions more? Yep, this ride only gets wilder and wilder from here on out!!!**

Now let's just say we missed a dozen "real and productive activists" (*again, not staged "controlled opposition" created by the CIA*) How many of those "NON-EXISTANT, REAL ACTIVISTS" would have names with gematrical values of **666** in their language of origin? Let's just assume there was ONE who did. Would he turn into a diehard lover/promoter of **YHWH and Yeshua**? Would he espouse the respectful use of their actual names like I have and do? Would he have released his FREE books even though all the while fully expecting to be attacked/killed by the corrupt govt for doing so? And would he survive an intricate and well-rehearsed, two month long plan costing \$1.1 MILLION DOLLARS concocted by 100s of corrupt federal law enforcement officials to perform a 65 man SWAT team attack designed to kill him after shutting him up with 33 tear gas and CS gas chembombs like I endured for over 45 minutes with ZERO effects? Not so much as a cough, snuffle or single tear!!! And would this other nonexistent **666** man have been triumphant in defending himself pro-se and getting a plea deal to avoid a 17 year sentence on bogus/framed charges set up to stop him from doing all of this highly important work for We the People? Would he have also spent **only and precisely 9 months, 11 days** in jail while continuing to research and openly write

even more damning truths about this evil group of psychopathic nutters straight out of Revelation at risk of further danger/harm/incarceration? Would the other **666** man have been able to press on to envision and accomplish all the above while also unraveling the massive “tiny earth lie” in “[Dave’s Big Truth](#)”? Would he then create the [Affirmative Action Alliance](#), the worlds’ ONLY alternative voting system and our first of a kind ballot like I did? **Could anyone honestly think we did all this alone?** If so, I’ve got a bridge in London for them and I’m selling it super cheap, let’s make a deal!!!

Page 2

Also, please do consider that the AAA, which staunchly promotes the Goyim Gazette, is the only activist group to our knowledge that is openly committed to thoroughly exposing the identity and crimes of this disgusting biblical group while having a real and doable plan to arrest/prosecute them. Is there anyone else on earth who is even talking about anything like all of this, much less actually **doing all of it**? As those who’ve followed this story know, this question and answer session could go on for many, many pages while building a case that truly is “against all odds” to the point of being impossible for the human mind to calculate. But if you agree that what you’ve just read alone sounds “interesting”, get ready to tie the proverbial bow on this gift from God, the omnipotent master of mathematics and miracles! This is how I myself, Peggy and YOU can be assured and have faith we are in fact witnessing the story of the messenger/comforter being foretold of in the Bible, Quran and The Gospel of The Holy Twelve. And if this all still sounds bizarre to you, just imagine how it feels to Peggy and I! However, as you should be starting to realize, numbers don’t lie and facts are facts, there’s simply no getting around all of these proofs of divine intervention! Each of these little tidbits are in fact miracles and they’re being handed to us on a silver platter. **ENJOY!** Next let’s briefly revisit Revelation, this time verse [13:17](#) (*the one immediately preceding 13:18!*) “And that no man might **buy or sell**, save he that had the mark, or the name of the beast, **or the number of his name**”. In 1993, long before I had ANY CLUE about that verse I reserved “[www.NumberName.com](#)” as the trademark for a “one number identification system” I had envisioned to be used for quite literally everything, but mainly **buying and selling!** **What are the odds of that striking “coincidence” AND the 666 man having imagined that trademark AND it being available AND my having paid the fees to keep it for 23 years AND that Peggy completed the absolute whale of a highly sophisticated programming project which is now up and running and using it at [www.Unidigi.com](#)???**

NUMBERNAME
Just 1 ID and 1 Password,
For Everything, For Life!

Also, everyone should tie that to this from [Rev 14:9](#); And the third angel followed them, saying with a loud voice, If any man worship the beast and his image (*the cross*) and receive his mark in his forehead, or in his hand, the same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb” **NOTE; There’s no punishment for those with “the NUMBER of his NAME”**. A **NumberName** which I have always envisioned would replace all other IDs!!! Could we have just solved the riddle and the confirmed the first step to avoiding eternal hell? (*That being NOT to worship the vatican beast or accept their “mark” which is in fact the IDs given to us by our evil and corrupt govts around the world. In the US it’s our SS#s which are already being used on RFID implants in soldiers and school children!!!*) [Rev 20:4](#); “And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Yeshua, and for the word of God, and which had not worshipped the beast, neither his image **neither had received his mark upon their foreheads, or in their hands**; and they lived and reigned with Christ 1,000 years”. **Again, no punishment to those who choose a NumberName instead!** Next; GHT, **Lection 54:17**; Yeshua, when he came to a certain place where 7 palm trees grew, gathered his disciples around him, to each he gave a **Number** and a **Name** which he only knew **who** received it. FYI; With NumberNames, no one but God needs to know your given name!!!

Online readers of the [2nd AAA newsletter](#) and issue [#119 of the Goyim Gazette](#), along with the commentaries thereto will already know much of the following but it’s a good recap nonetheless. Let’s start over with my full name “David William Allender”. Da-vid means “**The One**”. As for William, how about “**Will I Am**” (*of God*) and for the last name, “**All Ender**” in these end times which I’m told are beginning now in 2016! Ancients didn’t use zeros so it’s 216 which is **6 x 6 x 6!** 216 hasn’t happened for 1,800 years (**600 + 600 = 600!**) And it’s also 18 years (**6 + 6 + 6**) from 1998 which is **666 + 666 + 666!** Let us look at gematria for my full name which is **1882 in Jewish**, **1140 in English** and **190 in simple**.

David William Allender in Jewish Gematria Equals: 1882 ($\frac{\text{d a v i d w i l l i a m a l l e n d e r}}{4 \ 1 \ 700 \ 9 \ 4 \ 0 \ 900 \ 9 \ 20 \ 20 \ 9 \ 1 \ 30 \ 0 \ 1 \ 20 \ 20 \ 5 \ 40 \ 4 \ 5 \ 80}$)

David William Allender in English Gematria Equals: 1140 ($\frac{\text{d a v i d w i l l i a m a l l e n d e r}}{24 \ 6 \ 132 \ 54 \ 24 \ 0 \ 138 \ 54 \ 72 \ 72 \ 54 \ 6 \ 78 \ 0 \ 6 \ 72 \ 72 \ 30 \ 84 \ 24 \ 30 \ 108}$)

David William Allender in Simple Gematria Equals: 190 ($\frac{\text{d a v i d w i l l i a m a l l e n d e r}}{4 \ 1 \ 22 \ 9 \ 4 \ 0 \ 23 \ 9 \ 12 \ 12 \ 9 \ 1 \ 13 \ 0 \ 1 \ 12 \ 12 \ 5 \ 14 \ 4 \ 5 \ 18}$)

David William Allender in Jewish Gematria Equals: 1882
David William Allender in English Gematria Equals: 1140
David William Allender in Simple Gematria Equals: 190

For the last two, Ditch the zeros as usual for **114** and **19**. **114 = 6 x 19** (*relates to the Qurans’ 114 chapters and the “Miracle of 19” encoded in both the Bible and Quran*) And **19 = man** (6 + 6 + 6) + 1/God. As for **1882**, it also turns out to be a rather special number unto itself in regard to 6s & 19s! Firstly; 1 + 8 + 8 + 2 = **19!** And . . . 18 + 82 = **100**, the Omega (only one year per century does this from 1000 to 9999, i.e.; **1090** is 10+90 = 100, then **11+89**, **12+88**, **13+87**, **14+86**, **15+85**, **16+84**, **17+83**, **18+82**, **19+81**, **20+80**, etc.) And finally; **18 82** signifies **666** from Alpha or the beginning which is 0 (0 + 6 + 6 + 6 = **18**) and **666** from Omega of 100. (100 – 6 + 6 + 6 = **82**) So, there’s **666** twice again in the **18** from Alpha/o and **18** from Omega/100. **18 is 666 from zero and 82 is 666 from 100!** And those two **666 /18s** add to 36 (6x6) And 100 – 36 = **64**. 64 is my birth year and it’s surrounded by

“**666**” 18s! ($18 + 64 + 18 = 100$) A little more about my date of birth which I “coincidentally” haven’t even celebrated for years (*I’ve only recently learned we’re not supposed to celebrate them or any other holidays*) **Ecclesiastes 7:1** “A good name is better than precious ointment; and the day of death than the day of one’s birth”. **7:8** “Better is the end of a thing than the beginning thereof”. That said, there are some “highly unusual things” worthy of noting about my 12/1/64 date of birth! You can see what was going on in the world when you were born at takemeback.to . For me it says the top song in the US was “**Baby Love**” by The Supremes. A top selling book was “**This Rough Magic**” by Mary Stewart. The top sitcom was “**Profiles in Courage**” which is also the title of JFKs book, the 1st book I’d read since childhood, it exposes him as a lowlife luciferian by his own pen! That was just for fun, it’s time to get serious. . .

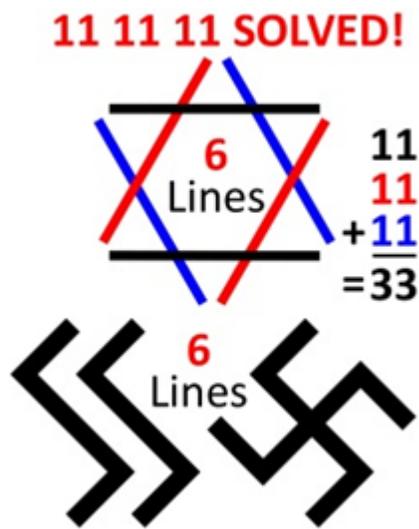

After my mom had **3** miscarriages, I was finally born on 12/1/1964 at 8:31 am in Casper WY, which Google Maps shows is exactly **666** Miles from where my **6** half-sisters lived in Las Vegas, home to one of the most famous of UFO crashes. Casper is **ALSO** exactly **666 Miles from Roswell, UFO/AFB!!!** And FYI; I have sighted many UFOs including 2 totally different ones on the same day at our property. Is any of this odd? And since I’m laying it all out here, in 2011, I was bitten on the forearm by “something” not of this world which I believe has somehow strengthened/healed my heart and saved my life. (*The concepts surrounding vampires become of interest here!*) Peggy and I also believe we have been visited by “giants”, who tore large limbs off a couple dozen trees on roads at our property, all at about the 14’ mark and, we’ve seen physical evidence of “others” visiting us at our home **multiple times! WAKE UP! WE ARE DEFINITELY NOT ALONE FOLKS!!! ETs DO EXIST!!!**

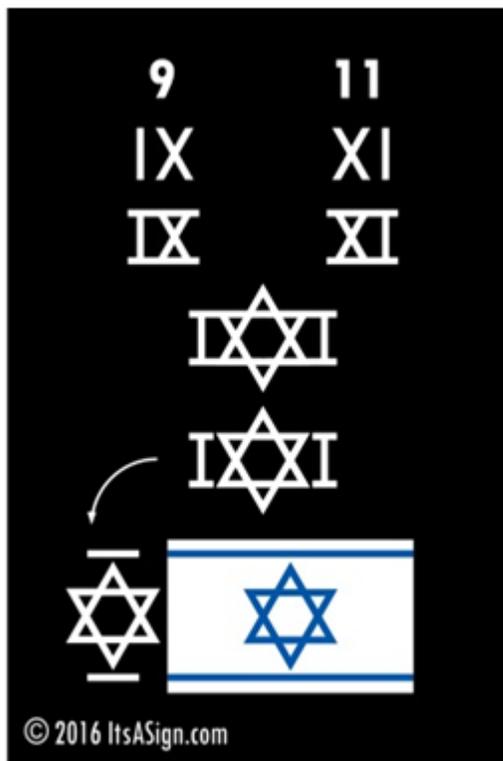

Recall my **9** month **11** day “guilt free vacation” in jail and my mom’s **3** miscarriages? Well, it was **precisely** 36 years (6 x 6), **9 months, 11 days . . . and 3 minutes** after I was born, when the 2nd tower fell and **9/11** ended! I inexplicably told Peggy to drive instead of fly to see her family on **9/11**, even though she had her ticket in hand. [Google](#) says our house is exactly **1998 (666 + 666+ 666) nautical** miles from the center of New York City where the Twin Towers were built over the course of precisely **6.66** years. They were located just **3** nautical miles off of being **1998** miles to my house and had 111 floors including the roofs for 111+111 total.

I solved the **11 11 11** mystery as being the 6 lines that make up the 6 pointed star of David as well as the 3 sets of control lines on all bar codes which is **666** on everything YOU buy.

[Edit](#)

“Coincidentally” I disclosed those in issue [#111](#) of the Goyim Gazette, now I’m dissecting my **666#** in [#118](#) and tons more of this crazy stuff can be found in [#119](#). (*Flipped is 911!*) **Get ready because it’s going to get wilder!**

That star is known as Morgen **David** and/or a Key of Solomon who was a sorcerer. He used it and YHWH, the holy name of God (*written as “יהוה” in Hebrew*) or the “Te-tra-gram-ma-ton” of the Bible (*found on magic amulets as shown to the left here*) to do spells and charms which included protecting himself. Many don’t know it but we’re pretty much living in a bad Harry Potter movie with the Jews being the magicians who practice satanism because they know the spirit world is as real as apple pie and they know how powerful it is. However, YHWH told us not to practice

witchcraft, sorcery or magic with good reason, that being the potential of misuse by careless, evil people! Now, I’ve innocently spent **A LOT** of time working with and drawing that star over the course of the last 5 yrs and here’s the kicker; this period of time is when I’ve also become aware of, and began using, YHWH’s name! Top that with the fact that since I can remember I’ve always had a secret word that apparently wards off “bad things” during my entire life. Well, it ends in “**wā**” just like YHWH! What are the odds of this alone?! Can anyone honestly read all of this and not know the supernatural world is 100% real? And by the way, Yeshua was a master of it! From the Gospel of the Holy 12, [Lecton 6:12](#); “And for 7 years he conversed with YHWH face to face, and he learned the language of birds and of beasts, and the healing powers of trees, and of herbs, and of flowers (*i.e. Cannabis or “Qaneh-bosem” in the Bible which I wrote about in [GG#115](#) and have used repeatedly to heal myself, Peggy and Bear our dog, for him it was terminal cancer, TWICE!*) and the hidden secrets of precious stones, and he learned the motions of the Sun, the Moon and the stars, and the **powers of the letters**, and mysteries of the Square and the Circle and the

Transmutation of things, and of forms, and **of numbers, and of signs**". Hence, **Yeshua is the master of the universe personally trained by God! And that verse tells the story of his supernatural powers which allowed him to "Transmute" (meaning transform) in and out of existence during his crucifixion, resurrection, departure & coming return!** Note that part "**of numbers and signs**"!!!

Here's some more of those; YHWH is well known as The Trinity, a Holy **3** and along with those other **3s** (**3 miscarriages, 9 months, 11 days and exactly 3 minutes after 9/11 ended, 3 miles from 1998 etc.**) I drowned to unconsciousness **3** times as a kid. Is that kind of unusual? How about this; my house is exactly **6,660** miles from the tiny village of Nazareth where Mary, Joseph and Yeshua actually lived!!! (*ancients didn't use zeros*) And my house is the same **6,660** miles from the center of the famous biblical city of Alexandria which was torn asunder by Britain in **1882**. (*the gematrical value of my full name!*) Travel exactly **60** more miles to a long corridor of the most famous sites of antiquity such as the The Temple Mount, Dome on the Rock, Church of the Holy Scepter, Wailing Wall and etc. And here's one on the Great Pyramid of Giza; both my and my **half** sisters' phone #s end with **3022** which is it's parameter! Only 1 in every 9,999 people can have that number. We both had it, and at the same time! AND, it was the first time in 15 years that I'd spoken to her when she called me from it that I pointed it out! (*we had a falling out over her intentionally bankrupting my mom, I've since discovered she's a jew!*) Anyway, there's a billion to one shot in and of itself!!! And how about this one; The only 2 major vacations I've taken in my entire life **so far** were met with Hurricane Andrew in Florida and Hurricane Emilia in Hawaii, **both category 5s, the worst**. I witnessed **3** major wildfires; Yellowstone in 88 (*the largest in US history which God put out with a snowstorm on 9/11*) and the "Carlton Complex" (*Washington's largest wildfire ever*) and the Chelan Fires of 2015. (*Chelan county's worst ever*) My family's car was **the last one** to make it out of the Thompson Canyon before the big flood of **76** where **144** people drowned. (*76 and 144 are highly significant numbers in the mystery schools*) I was as close as one could get to the epicenter of the big Ash Wednesday Earthquake, Washington's Largest in the last 50 years. I have also witnessed **3** tornadoes and seen it literally rain frogs, to mention just a few nature anomalies.

I've survived **3** shootings, each performed by psychopathic strangers who I'd never even spoken to, only one of them hit me and thankfully it was just a .22 at fairly long range so all it did was go through my cheek and knock a tooth out. (*I put it back there and then, it's fine to this day! Yes really!*) I've survived **3** major accidents and countless smaller ones. The big ones included 2 high speed roll overs and a 75 foot flight off a dirt bike. Even though I generally don't wear helmets or seatbelts, just one small cut on my finger and a sore back are the only injuries I've ever had! No broken bones or anything serious, ever. Back in 2006, long before I knew about any of this, I coincidentally built our house to be **36' x 36' x 46'** (*36 is 6 x 6 and God is 10 so, I figure that 46 must be 36 + God*) I discovered those dimensions of my house, which I just so happened to build precisely **6,660** miles from Yeshua's home, have some astounding numerical relations to [the bible's 37, 666, 703, 1998 & 2701 encodings](#), and Christ himself; (*that links to Vernon Jenkins fascinating work regarding those encodings from [AAA#2](#)*)

The 1st 5 digits of my SS# **50690**6909 (that's how you abandon the mark of the beast!) are displayed in the opening of "The Matrix" movie starring "Neo" (in a new form) who was "The-One" or "Da-Vid". My mom's **Hebraic DOB** on **6/6/5699**, flipped contains every # except the **3** zeros of my SS# and **Google Maps** says my home is exactly **666 miles from her birthplace in Sheridan, WY!!!** This has been a recap of **#119** where there are a plethora more, divine, impossible to calculate signs for the **666** man being guided by "others" who had me end by saying this; **Silence in the face of evil is evil and no one will be held guiltless! Not to speak is to speak! Not to act is to act! OK, now it's YOUR turn!!!**
